

Vision+ has been to me THE opportunity to realize and share that which I have dreamed to produce, and has given me the place alongside others to give me the chance and follow my dreams. No scams or hidden agendas - just take as is!

Sean Caruana Webster, Translator/Author

Working with Vision+ has started by chance. What sealed this long time partnership is the enthusiasm which Joseph, the President, has and his vision. He wants to help. That is where it all started. His enthusiasm caught up with me and with many others who have an artistic talent and who maybe were scared or afraid or had no chance of showing it up to a wider public. If you have it, Vision+ gives you that chance. Will always be grateful to the Group.

Iltqajt mal-President tal-Grupp b'kombinazzjoni u ma ddispjacieni xejn. Apparti li għandu karattru dħuli u ċajtier, b'entuzjażmu li jimmotivak, huwa pjuttost moħħu miftuħ u lest jisma' kull tip ta' idea li tkun ġejja minn moħħ il-kittieba; saħansitra lest li jikkunsidra li jipubblika xogħlijiet li jħaddnu fihom temi kontroversjali. Għal dan il-Grupp, il-kwalità hija ingredjent indispensabbli.
